Department of Computer Science and Engineering

The Department of Computer Science & Engineering was established in the year 2009 with a vision to offer quality higher education to numerous students as well as to meet the huge demand of highly qualified specialists in the field. **The Department offers both UG and PG Programmes in Computer Science & Engineering**. The Students who graduate from these programs often go not only to engineering careers but also in the fields of Business, Government, and Academia. The Department has made MOU with the Leading corporates like **Intel, Virtusa, Aspire Systems, UiPath, Oracle Academy, Cisco, IBM, Hakuna Matata, GRL, Object Frontier Software, and e-Attributes** for all our software needs and has made available high end packages with multiple capabilities.
