2.4.4	**Consolidated list of Full Time Teachers who received Awards, Recognition, Fellowships at State, National, International Level from Government, Recognized bodies during the last 5 years**

EVIDENCE 1

The **HEI input was not considered** because **CSI Mumbai Chapter was not accepted** as recognized body at **National/ State Level**

We would like to submit the following in this regard

(i) CSI is a **National Level body** with **chapters across India**

(ii) The award was given at **National Level** event "**TECHNEXT INDIA-2017"** and "**TECHNEXT INDIA 2018"** by inviting **applicants across India** organized **on behalf of CSI, by CSI Mumbai local chapter.**

Claim:

As the **awardee** was finally **selected** by inviting applications **across the Nation**, it is a National level Award. CSI Mumbai Local Chapter has instituted this award. Like ISTE, CSI is also an All India Level Recognized body. Hence we request you to **accept the award** given by **CSI Mumbai Chapter** as **National Level Award** and award the score accordingly.

Annual Industry - Academia Conference and Awards

Theme - Education - Creating a Digital Ecosystem

Date : 28th September 2019

Venue : WeSchool Auditorium, Matunga, Mumbai

ABOUT CSI TECHNEXT

OUR GLOBAL MISSION

Computer Society of India-Mumbai (CSI) is hosting a 1 day **ANNUAL INDUSTRY AND ACADEMIA CONFERENCE AND AWARDS "TechNext India 2019"** on 28th September 2019, at WeSchool Auditorium, Matunga, Mumbai.

This year at CSI TechNext India Conference, we are holding an award function recognizing academicians all over India for various categories. The awards will recognize the very best in the academics and reward the best Principal, HOD, Professor, TPO, College for significant contribution in the Academics.

OUR REACH

Over 200 delegates and exhibition visitors (Principals, HOD's, Professors, Research scholars) belonging to Engineering Colleges and IT Industry companies will be attending the conference.

GOAL

To promote new methods of academics and to connect Academicians and Industry specialists from across all over India and share their opinions.

The awards will recognize the very best in the Academics and reward the Distinguished College, Distinguished Principal, Professor & HOD for significant contribution in the Acamedics.

Principal,
Knowledge Institute of Technology,
Kakapalayam (PO), Salem-637 504

Jury

TechNext India 2017 Distinguished Awards to Academia will be judged by panel of personalities from academia and industry.

Important Critical Dates

- 26 November, 2016 – Awards launch, Entries Open
- 26 December, 2016 – Deadline for all entries
- 14-15 January, 2017 – Awards Ceremony

Categories

• Distinguished Principal

This category is open to principals of the colleges who have spearheaded initiatives to enhance student performance, promote safe learning environments and establish partnerships between students and members of the industry as well as the social fabric around them.

• Distinguished HOD

The Category is open to Under Graduate or Post Graduate Teachers of the University or colleges who are Heads of the department (HOD) at the college level or University Departmentsand have played crucial role to promote academic activities by providing a platform for students, teachers from academia and experts from Industries to bridge the gap between them. He/She should have made significant contribution to promote the employable skill enhancement programmes for the students to strengthen the association with industry, Research Organisations, Government agencies etc. thus helping them to meet the objectives of the educational institutes at the national level.

• Distinguished Professor

The nominee for this award should have at-least 2 years full time teaching experience in the present Institution. He / She should have demonstrated innovative and outstanding teaching methodology. They should have the capability of mentoring and networking academia – industry programs for the symbiotic benefit of the stake holders in the institutions and the industry. Contributions in research activity, Industrial Projects, organising conference, seminar, guest lectures etc in association with professional bodies or industrial organisations or active participation in similar programmes will be an additional quality.

• Distinguished College Awards

Distinguished College Awards will be given to colleges/university departments who have been instrumental in implementing most of the following:-

- *Introducing contemporary add-on courses relevant to the advancement of Computer & IT Education*
- *Implementing Industry Academia Partnership*
- *Introducing online courses such as MOOCS / Spoken Tutorials / Fossee / other similar programs.*
- *Encouraging students for taking recognised certifications of International standards in various basic and advanced languages including Python etc.*
- *Encouraging faculties/students to undergo trainings through CSI*
- *Consolidating and backing up CSI Student branches in their Institutions to hold meaningful programs/competitions/trainings as well as promoting inter college interaction between the student branches.*
- *Encouraging Faculties & students to volunteer for CSI Programs like IT-2020, TechNext and other Conferences*

Principal,
Knowledge Institute of Technology,
Kakapalayam (PO), Salem-637 504.

• *Colleges arranging facilities through sponsorships for economically under privileged students in their college.*

N.B.:- colleges which cover larger number of activities listed above will stand a better chance.

To,

Dr.V.KUMAR

Professor & Head

KNOWLEDGE INSTITUTE OF TECHNOLOGY

Principal,
Knowledge Institute of Technology,
Kakapalayam (PO), Salem-637 504

Dear Dr.V.KUMAR

I am glad to inform you that you have been awarded the "Distinguished HOD" at the CSI TechNext India 2017 – Awards to Academia. This award is basically conferred on those who are ranked best by our committee and jury.

You have successfully played crucial role to promote academic activities by providing a platform for students, teachers from academia and experts from Industries to bridge the gap between them. You have made significant contribution to promote the employable skill enhancement programmes for the students to strengthen the association with industry, Research Organisations, Government agencies. You have displayed exemplary trait of sincerity, dedication and hard work making yourself eligible for this opportunity.

We look forward to you to come personally to receive the award. Once again, I congratulate you for this achievement.

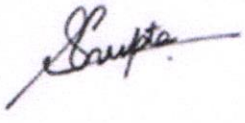
You and other worthy award recipients will be honored at CSI TechNext India Conference on 15th Jan 2017. We would be honored to have you with us for the event.

Award Distribution Ceremony is a part of Main Conference. Request you to register and make payment for the Conference on 14th & 15th Jan 2017 as seats will not be available to attend only the award function.

http://www.csimumbai.org/event-register-online.php?event_id=442

Accompanying person will be charged Rs. 1000/-

With warm regards,



Prof. (Dr) Sureshchandra J. Gupta
