PROGRAM OUTCOME:

Engineering Graduates Attributes:

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
2. **Problem analysis:** Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
4. **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
5. **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.
6. **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
7. **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
8. **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
9. **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
10. **Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
11. **Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
12. **Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

CIRCULAR

| | | | |
|---------------------|--|-------------|-------------------|
| Circular No. | KIOT / NSS & YRC / 03 / 136 | Date | 28.09.2018 |
| To | To all HODs | | |
| Subject | Celebration of National Surgical Strike Day | | |

As per the directions of MHRD and AICTE, all the Higher Educational Institutions (HEIs) are requested to conduct suitable Programme to create **"Awareness on sacrifices made by the Indian Armed Forces in protecting our Nation, India"**. This planned in memory of surgical strike day, 26.09.2018.

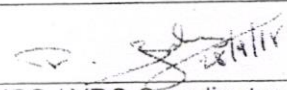

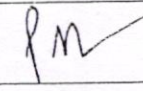

In this regards, HODs are requested to carry out the following in each class on 29.09.2018 between 10.40am to 12.30pm.

- (i) Each class one faculty, two students (preferably one male and one female students) can give a talk on "sacrifices of Indian armed forces in protecting our nation (or) about the surgical strike, that made our nation proud" for a period of 5-10 minutes.
- (ii) The event has to be recorded in the form of photo and has to be sent to the coordinator.
- (iii) A backdrop (or) Class room board may be prepared accordingly with necessary details

Report of the Activity

| | |
|--|--|
| Academic Year | 2018 - 2019 |
| Name of the Activity | Blood Donation Camp |
| Date of the Activity | 17.09.2018 |
| Organizing Unit/ Agency/ Collaborating Agency | Salem Blood Bank in association with YRC/RRC of KIOT |
| About the Activity | Donate blood to save the Precious life of human being' YRC has the basic principle as protection of healthy life and service to sick and suffering. To meet out the objectives, our college YRC/RRC conducts Blood Donation Camp. Student blood donors voluntarily come and donate blood. In association with Salem Blood Bank, this blood donation camp is being organized as service motive. Further Students volunteers were given appreciation certificate to encourage them doing service to the society. |

Report of the Activity

| | |
|--|---|
| Academic Year | 2018 - 2019 |
| Name of the Activity | Awareness Program on "Health is Wealth" |
| Date of the Activity | 30.08.2018 |
| Organizing Unit/ Agency/ Collaborating Agency | KIOT - NSS |
| About the Activity | Knowledge Institute of Technology in association with NSS Club organized an Awareness Program on "Health is Wealth". Resource Person addressed the students about Yoga & its importance. Yoga abundantly adds to our physical, pranic and psychic existence from the infinite cosmic counterpart. It is the science of unison of our finite self with cosmic Self. The Gita also describes yoga as the art of perfect equanimity. Patanjali said, "Yogaschitta vritti nirodha", or 'yoga is the mystery beyond five modifications of mind' - intellect, emotion, imagination, memory and sleep - which are rooted in spiritual ignorance, or avidya. Around 150 Students were participated in this event. |

Report of the Activity

| | |
|--|--|
| Academic Year | 2018 - 2019 |
| Name of the Activity | Awareness Program on "Road Safety" |
| Date of the Activity | 26.07.2018 |
| Organizing Unit/ Agency/ Collaborating Agency | KIOT - YRC |
| About the Activity | This Program is organized by Youth Red Cross of KIOT. In this program around 150 Members from various departments actively participated and got inputs regarding safety during Driving. The Resource Person also discussed about the Traffic Rules, Importance of Helmet and Seat belt during driving, Variations in Ambulance alarm sound. The Resource Person revealed some interactive videos which insist the importance obeying traffic rules. Guest also insists the Young Generation to obey the traffic rules and to avoid Mobile phones during driving. |
