

Sl. No.	Agenda	Minutes of the Meeting	Remarks
1.	First brainstorm session with experts of committee to identify and list the policy level issues, strength areas, weak areas, opportunities, and threats (SWOT) of I&E ecosystem at HEI level.	<ul style="list-style-type: none"> Various Financially supportive schemes and facilities provided by the state of Tamil Nadu were discussed. District Industry Centre, Salem may provide all the necessary supports to the potential entrepreneurs from KIOT. Recognising the industry needs or the pain points, which are the key factors for innovation is the need of hour. Aspiring entrepreneurs should also be provided awareness on the initial level issues that could arise once setting up a start-up. Knowledge Institute Innovation and Start-Up Policy shall support to regional industries by providing solutions to problems faced by the industries through incubation facilities. New products and services can be developed through innovative projects. Internship activities based on Entrepreneurship can also be provided. Fear points on start-up should be encountered and eradicated with proper awareness programs. This would help to evolve many entrepreneurs. Best innovative practice needs to be followed on students' projects by the guidance of faculty members may be converted into as a new product for new start-up. 	Follow-up action will be taken up in the upcoming days.
