**Sub: Clean India Campaign to be organised from 1st to 31st Oct.'21 -
Conducting various activities - reg.**

Sir/Madam,

I am to refer to the subject cited and to state that as desired by the Shri. Anurag Thakur, Hon'ble Minister for Youth Affairs and Sports, Govt of India, a massive Clean India Campaign would be jointly undertaken jointly organised by the National Service Scheme Units and the Nehru Yuva Kendras with the active support of all the stakeholders which includes, NGOs, State Government organisations, Industries, etc.

In this connection, please find enclosed detailed guidelines circulated by the Nehru Yuva Kendra Headquarters wherein it is mentioned that the programme will be launched on 1st October, 2021 by the Hon'ble Minister for Youth Affairs and Sports, Govt. of India and similar programmes will be launched in the States/744 Districts. Please go through the guidelines and comply with the same.

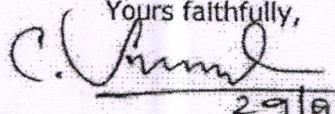

One of the key objectives of the campaign is Waste Collection and Disposal with a special focus on single use plastics from houses, public places, etc. Apart from this, cleaning of campus and public welfare centres, restoring water resources, creating eco-parks, etc. will also be undertaken during the period.

You are, therefore, requested to immediately advise the Programme Officers to get-in-touch with the District Youth Co-ordinators of NYK and chalk out a detailed Plan of Action and forward the same to this office. Most importantly, all Programme Co-ordinators and DLOs need to ensure that our **NSS Volunteers take part in the Plogging Run scheduled on 2nd October, 2021 without fail.** Further, you should continuously monitor the progress of waste collected and disposed everyday and maintain a record to that effect so that quantification of work done could be reported to the Ministry as indicated. While undertaking activities, please follow Covid-19 SoP strictly. Please treat this as "Most Urgent" and accord "Top Priority".

Encl.: As above.
