Ok

–

Need to teach in application oriented

Application oriented teach

1. Still more to know the student difficulty and resolve it 2. freindlyness of teaching is still more required 3. encourage students to participate in extrcirucular activities

Good excellent teaching.

In problem subject faculties can be much more clear in what they're teaching

Now the curriculum is well improved

Give tha class notes, placement training for ME students, need to regular classes ,

Overall teaching excellent

Providing more examples in each concepts is better to learn thoroughly and as well as understandable.

free wifi to connect in world, easy way to face hard thing,

1.Important topics analysis.

Only certains main topics are covered and problems also need to be discussed with us

More motivation program needed .

No comment

No suggestions.

Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction.

All is good teaching

nothing needed . it is enough

No greivances

1.Placement regarding activities are excellent 2.Conduct some more extra curricular activities

1. More hands on practise about core concepts 2. Teaching of basics 3. Know students mentality

More practical & discussion session, technical seminars.

The way of teaching is Crystal clear,easily understandable and deliver the concepts in a easy manner.

Ground facilitie for kho-kho game

Try to reach every student and ask for their doubts..Make teaching a two way interaction.

Some extra curricular activities are provided by faculty to encourage the students to participate

Teaching and communication are good.

Overall teaching is very nice.No suggestions.

Friendly facilities, Best coaching, Effective training

Friendly faculty, Excellent couching and way of teaching is good.

Good,effective,handwork

The teaching of my teachers are very good and it was understandable for me

Concept wise teaching is good

Practical Learning with more example is more useful

Try To plan a industry visit for students.

Everything great

NIL

Learn with some real time application as examples

Amazing

Skillfull learning

It's very nice teaching

Hands on session will be informative, Interactive session are needed , We need content outside the syllabus

Good teaching

Everytgng is good

Practical experience needed for everything

Give coaching using YouTube, solve problems daily, get feedback often
