CHOICE BASED CREDIT SYSTEM AND OUTCOME BASED EDUCATION

MBA - INNOVATION, ENTREPRENEURSHIP AND VENTURE DEVELOPMENT (IEV)

VISION OF THE INSTITUTE

• To be a world class institution to impart value and need based professional education to the aspiring youth and carving them into disciplined world class professional who have the quest for excellence, achievement orientation and social responsibilities.

MISSION OF THE INSTITUTE

	1 HI 11 HE HE
A	To promote academic growth by offering state-of art undergraduate, postgraduate and doctoral programs and to generate new knowledge by engaging in cutting –edge research
В	To nurture talent, Innovation entrepreneurship, all-round personality and values system among the students and to foster competitiveness among students
с	To undertake collaborative projects which offer opportunities for long-term interaction with academia and industry
D	To pursue global standards of excellence in all our endeavors namely teaching, research, consultancy, continuing education and support functions.

VISION OF THE DEPARTMENT

To produce global leaders in innovation and entrepreneurship who can manage and grow enterprises in a challenging and highly competitive world, through the integration of domain expertise, entrepreneurial acumen, and high ethical standards.

MISSION OF THE DEPARTMENT

М1	Developing analytical, problem-solving, and decision-making skills specifically tailored for managing entrepreneurial ventures and driving innovative change.
М2	Nurturing entrepreneurial leadership traits through continuous industry interaction, industry-sponsored centers of excellence, and hands-on experiential learning.
мз	Providing top-tier entrepreneurial education through domestic and international collaborations, enhancing cross-cultural competencies and global business perspectives.
М4	Facilitating learning and innovation by engaging faculty who are thought leaders, actively involved in intensive research, and industrial consultancy focused on entrepreneurship and venture development.

PROGRA	M EDUCATIONAL OBJECTIVES(PEOs)
PEO1	To make the graduates as Entrepreneurs and successfully run Ventures / Startups.
PEO2	To make the graduates to be a Leading Player in Innovation Management.
PEO3	To successfully contribute to Entrepreneurial Development or Play a Leading Role in Innovation / New Product Development in Corporates.

PROGR	AM OUTCOMES (POs)
PO1	Understand and apply the concepts of Entrepreneurship, Innovation and New Venture Development.
PO2	Ability to find a business idea, build a prototype and launch to early customers in the market.
PO3	Ability to choose appropriate business model, to raise funds and to scale up the venture.
P04	Understand and apply the management theories & practices to solve business problems and successfully run Startups.
P05	Understand and practice Standards, Compliances (Ethical, Economical, Legal, Environmental, Sustainable Global, etc.).
PO6	Ability to lead the team/venture, to be a collaborative team player, to strategically and innovatively take the venture towards growth.

MB24IE302	INNOVATION MANAGEMENT	Р					
HBZ41LOVI	3 2 1						
Programme & Branch	PG-MBA- INNOVATION, ENTREPRENEURSHIP AND VENTURE DEVELOPMENT (IEV)Version						
	Course Objectives:						
1.	To study the concepts of innovation and creative thinking.						
2.	To Learn about service, process and product innovation.						
3.	To understand strategies required for organizational growth.						
4.	To learn the concepts of new product development.						
5.	To study about sustainability and risk in innovation.						
	INTRODUCTION (Not for Examination)	2					
Importance	By studying innovation management, one can develop strategies to remain in competitive drive and can plan for growth through new products, services and processes innovations.						
Real-Life	Product innovation - Autonomous driving technology & Smart Watch.						
Examples	Process innovation-Amazon's automated warehousing and shipping process.						
	Service innovation-OTT, 24/7 AI powered Chatbots.						
Linkages	Future Courses: New Venture: Establishment and Management						
UNIT-I	INTRODUCTION TO INNOVATION AND CREATIVE THINKING	6+3					
	What is Innovation (L2) - Why innovation is required (L2) - What is innovation management (L2) - Types of Innovation Doblin's Ten Types of Innovation (L2) - Innovation Process (L2)- Personal Creativity, Commands for Being Creative (L2)-Critical factors required for innovation success (L3).						
UNIT-II	SERVICE, PROCESS AND PRODUCT INNOVATION	6+3					
	Meaning of service innovation (L2)-Star Framework to check service innovation (L3)- Meaning process innovation (L2) - Methodologies for Process Improvement (L2) Meaning of product innovation (L1) - importance of product innovation (L2) - stages in product innovation (L3).						
UNIT-III	GROWTH STRATEGY	6+3					
	Aligning Innovation to Growth Strategy (L2) - The Ansoff Matrix for Strategic Planning (L3) - Breakdowns Between Business Strategy and Innovation (L2) - Design thinking-meaning (L1) & Phases (L2).						
UNIT- IV	NEW PRODUCT DEVELOPMENT	6+3					
	Meaning and Definition (L1) - Classification of New Product (L2) - New productdevelopment stages (L3) - Stages in Product Life Cycle (L3).						
UNIT- V	SUSTAINABILITY & RISK IN INNOVATION	6+:					
	Definition of Sustainable Innovation (L1) - Difference Between Sustainable Innovation and Traditional Innovation (L2) - Approaches to sustainability (L3)- Meaning of risk in innovation (L1) - Innovation Ambition Matrix (L3) - Usage of Metrics to avoid failure (L2).

To understand the types of Services / Programs / Residency Learning Programs / Otherservices provided by the SES facilities – Benefits – Duration – Cost – Schemes / Subsidies / Incentives of the Govt. offered through SES facilities for Startups.											
As an entrepreneur or a startup, one must have exposure to the Startup (SES) available at present and know how to utilize these services to startup or new product development for an existing business. Centra Governments have established various SES facilities like Pre-incubators, and Accelerators and have created various Schemes like Startup India, TN. In addition, different NGOs and institutions like EDII, Ahmedabad are various entrepreneurship development activities. The government has various funding mechanisms. Various approvals and licenses are needed to Startup business.	To understand how the student can leverage these services during study and actual venturecreation.
